

Dear members and partners,

As we close 2025, we do so at EurAsia Gulf with pride, gratitude, and momentum. This past year, we successfully hosted 84 events—84 platforms for dialogue, partnerships, and real business outcomes. There were 84 opportunities where leaders, innovators, and decision-makers came together to create a lasting impact.

This achievement was only possible because of the trust of our partners, speakers, members, and the wider business community who believed in the power of meaningful connections.

As we step into 2026, our vision grows stronger. We aim to deliver bigger conversations, deeper collaborations, and greater cross-border opportunities across industries and regions. If you are a business leader, investor, innovator, or organization looking to expand your network, enter new markets, or build strategic partnerships, we invite you to be part of our success story in 2026.

Let's continue building value—together.

Dr. Usama Al Malki

Chief Operating Officer, EurAsia Gulf
