

**Dear Members and Partners,**

As we step into May, we take a moment to reflect on a remarkably productive April. It was a month defined by international growth and strengthening the bonds within our community.

**April Highlights:** We are proud to have organized five signature events across several borders:

- **Diplomatic & Professional Dialogue:** We kicked off the month with a **Diplomatic Business Lunch** in collaboration with the Consulate General of Russia, followed by our engaging **Russian Speakers Business Breakfast**.
- **Expanding Horizons:** We successfully hosted our first-ever event in **Tashkent, Uzbekistan**, welcoming over 60 distinguished guests.
- **Cultural & Business Networking:** Our reach continued with two **Majlis Dinners** held in **Russia** and **Georgia**, fostering deeper regional ties.

**Growing Our Community:** To better serve our diverse network, we have introduced two new membership categories: **Premium Individual Membership** and **Bronze Plus Membership**. We are also thrilled to extend a warm welcome to our newest members: **Mortix; Anagal Group; Rbdan Heritage**

**Looking Ahead: What's New this May**

May promises to be equally dynamic, with planned events and business missions across the **UAE, Russia, and Georgia**. We are especially excited to announce the establishment of the **EurAsia Gulf Women Leaders Committee**. We invite you to join us for the committee's inaugural event on **May 7th**.
