

**Dear Members and Partners,**

We are proud to look back on an incredibly successful **Month of May**, during which EurAsia Gulf organized **6 impactful events** across the region. Our recent highlights include a special Eurasian Tuesday edition focused on Syria, organized in close collaboration with the Syrian–Emirati Council for Entrepreneurs, as well as the successful launch and inaugural event of our newly established Women Leaders Committee. We also hosted an insightful Exclusive Business Breakfast session with H.E. Shahruh Rakhimov, Director General of the Representative Office in the UAE at the Ministry of Investment, Industry, and Trade of the Republic of Uzbekistan, and expanded our international footprint with two exceptional events hosted in Georgia and Russia.

We are also thrilled to extend a warm welcome to our **newest members** joining us from the UAE, Russia, and beyond.
